The analytiq consulting gmbh is continuously improving the product. Depending on the scope of enhancements, new Minor and Major Upgrades will be released respectively.

Upgrade fees for Minor Releases

Minor Releases can be purchased at no charge up to 12 months after the purchase of the product.

Upgrade fees to the next Minor Release of the current list price of the respective product	20 %
---	------

Upgrade fees for Major Releases

Major Releases can be purchased at no charge up to 6 months after the purchase of the product.

Costs

Upgrade fees to the next Major Release of the current list price of the respective product	40 %
---	------

Upgrade-Abonnement

The Upgrade-Abonnement entitles to receive all Major and Minor Upgrades. Additionally, the Standard Support will be extended to the duration of the Upgrade-Abonnement.

Costs

nitrobit group policy Upgrade-Abonnement annually fee of the purchase price of the respective product	20 %
--	------

Maintenance

Standard Maintenance

Standard Maintenance includes the supply with patches for software failures, compatibility testing and adaptations to new operating system releases, as well as documentation maintenance of a certain software version. Only software versions with valid Maintenance are entitled for support and upgrades.

The maintenance period of a software version ends 6 months after the release of a new Minor Version and 12 months after the release of a new Major Version respectively.

Costs

nitrobit group policy Standard Maintenance € 0,-

Extended Maintenance

Extends the maintenance period of a certain software version beyond the Standard Maintenance period. Extended Maintenance enables the client to receive basis support throughout the complete duration of the Extended Maintenance period.

Alternatively to the Extended Maintenance we suggest an Upgrade-Abonnement, which entitles the client to receive all upgrades.

Please note, that the combination of Upgrade-Abonnement and Extended Maintenance does not make sense.

Costs

nitrobit group policy Extended Maintenance of the purchase price per Version and year 10 %
